Circle the correct answer that predicts how the water level will change (if at all) in the following diagrams.

1. How will the water level change?
   - a.
   - b.
   - c.

2. How will the water level change?
   - a.
   - b.
   - c.

3. How will the water level change?
   - a.
   - b.
   - c.

4. How will the water level change?
   - a.
   - b.
   - c.
Circle the correct answer that predicts how the water level will change (if at all) in the following diagrams.

1. How will the water level change?
   - a. 
   - b. 
   - c. 

2. How will the water level change?
   - a. 
   - b. 
   - c. 

3. How will the water level change?
   - a. 
   - b. 
   - c. 

4. How will the water level change?
   - a. 
   - b. 
   - c.
